

Curriculum Vitae

Personal Information	
Title	Assistant Professor
Name	Noa Krugliak Cleveland
Degree	M.D.
Country	USA
Affiliation	University of Chicago Section of Gastroenterology, Hepatology and Nutrition
E-mail	Noa.Cleveland(at)uchicagomedicine.org
	
Educational Background	
Advanced Fellow Inflammatory Bowel Disease, University of Chicago - 2020-2021 Fellow, Gastroenterology Fellowship Program, University of Chicago - 2018-2021 Resident, Categorical Internal Medicine Program, University of Chicago - 2015-2018 M.D. University of Illinois at Chicago 2011-2015 BS, Biological Sciences; Minor, Chemistry University of Illinois at Chicago - 2006-2010	
Professional Career	
Biography: Dr. Krugliak Cleveland is an Assistant Professor of Medicine at the Univeristy of Chicago's Section of Gastroenterology, Hepatology and Nutrition. She is an expert in inflammatory bowel disease (IBD) and the director of the intestinal ultrasound program at the University of Chicago. Dr. Krugliak Cleveland has been a leader in dissemination of intestinal ultrasound in North America. She is the cofounder of the Intestinal Ultrasound Group of the United States and Canada (iUSCAN) and an active committee member of the International Bowel Ultrasound Group (IBUS). Her research focuses on application of new technology for the detection and prevention of complications of IBD including neoplasia and ulcerative colitis as a progressive and transmural disease. Her original scholarship has been published in Gastroenterology, The American Journal of Gastroenterology, Inflammatory Bowel Diseases, Clinical Gastroenterology and Hepatology, Digestive Diseases and Sciences.	
Research Field	
Intestinal ultrasound Disease progression in UC Clinical outcomes in IBD Motility and Bowel Compliance in IBD Dysplasia and Cancer Detection in IBD Doctor Patient Relationship in Inflammatory Bowel Disease (IBD) Primary Sclerosing Cholangitis and IBD Vaccines and Immune Status in IBD Patients
